Curtin has an extensive adult criminal history that began at the age of 21 and includes convictions for multiple petty theft with a specific prior, multiple corporal injury on spouse / cohabitant, multiple vandalism, multiple prostitution with prior knowledge of AIDS, multiple domestic battery, multiple 2nd degree burglary, possession of a narcotic controlled substance, possess items with intent to forge / counterfeit, grand theft person and receiving stolen property. Curtin has served multiple state prison terms, the longest a 44-month term for petty theft with a specific prior. Curtin was released from state prison to the supervision of the Los Angeles County Probation Department on January 02, 2013. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109) the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in June 2013 after Curtin absconded from post release community supervision (PRCS). Curtin qualified to be released to the supervision of probation, under AB 109, because his current commitment offense for corporal injury on spouse / cohabitant is defined as non-serious and non-violent under the California penal code. His prior criminal history and current failure to comply with the terms of release make him a most wanted. If you know his whereabouts please contact...
